PARENT / TEACHER SUPPORT MEETINGS

Saturday, 8 December, 2018

ADHD & Dyslexia, LD, etc (10:00 - 12:00) - Facilitated by Dr. Ed. **Joanne Norris**, President & Education Chair, former teacher and ADHD, ASC & Dyslexia specialised Coach, Trainer. This support clinic is for parents and teachers who need some advice about the management of **ADHD and LDs** at home and at school. Participants can get their questions and concerns answered as well as benefiting from the experiences and strategies of their peers. Parents of newly diagnosed children with ADHD can get more of an understanding of this complex condition and leave with a few tips about how to address their most pressing concerns at present. Advice about schooling, homework issues, behaviour management, sibling rivalry, etc. are welcome.

Autistic Spectrum Issues (12:30 – 14:30) - Facilitated by: **Feliciea Jibson**, MA Autism, **qualified** teacher with 15 years of special needs experience with students on the autism spectrum and challenging behaviour. Experience with students with severe and profound learning difficulties, autism, physical disabilities and complex medical needs. Passionate about quality education for all students with autism, devoting time to research on the latest brain development discoveries to make sure she offers the best support for them. If those who attended her training on 17 November, 2018 still need more information or have new questions and concerns, this is your opportunity to get this information. If you have any unusual questions that you need answered, it would be a good idea to send these in advance to info@adhd-edu.be and we will give them to Feliciea in advance of the session.

Annual General Meeting (15:00 – 16:00) We invite all **Members** to our AGM. This is your chance to have some influence over our future programme and goals. Some of the current Board will remain and just need to be re-elected for another term of office, but we are always looking for new volunteers. Our current Board: Joanne Norris (President / Education Chair) Beverley Sinton (Vice-President / Communications Officer); Peter Philips (Treasurer); Chantel Fouche (Secretary General); and Laia Vintro-Moreno (Board Member). Volunteers: Patty Truong (Event Coordinator). If you want more information about our Board or our activities and goals, please feel free to contact us (info@adhd-edu.be). We will be electing two new Board members and would like to add some volunteers to our Steering Committee too. If you are interested in applying, please let us know.
