

# CANDIDATE FOR THE ADMINISTRATIVE BOARD DIRECTLY ELECTED AT THE GENERAL MEETING

**SECTION:** NL

**First Name:** Koen

**Name:** NOMDEN

**Child(ren) in:** S3 NL (2 children, Amelie and Jonas)

**Nationality:** Dutch

**Profession:** Commission official DG EMPL

## **Motivation:**

I have been a member of the APEEE Board since 2016, for 2 years as NL primary section representative and since early 2018 as elected member. I have been a class representative since 2010. Within the Board I first worked two years as active member of the APEEE Transport WG and the last two years as VP for educational affairs. I was section coordinator for Springfest in 2017-18. As VP for educational affairs I see it as my mission to coordinate the positions of the seven sections in educational matters and to communicate these in meetings with the school management. As a Board member I have a critical and constructive attitude in meetings in which I participate. I want to continue to contribute as an elected member to an APEEE at the service of pupils and parents. My main interest for the next two years will be in educational affairs.

Thank you for your support!
