

My School Journey

This worksheet is designed to be completed together with your child in Nursery, P1, or P2. Please:

1. Find a quiet time when you can talk about transportation to school without rushing
2. Read the questions aloud to your child in a conversational way
3. Record their answers, but use their own words whenever possible
4. Pay attention to their body language and emotions during the discussion
5. Ask follow-up questions if something seems important to them

After completing this worksheet, please scan the document and forward it to the Transport office (transport@apeeeixelles.be) or return the paper copy to the bus monitor.

Thank you for helping us understand your child's transportation experience!

Note: Ce questionnaire est aussi disponible en français.

We are organising a raffle!

If you completely fill out this survey and submit it to the Transport Office by **Friday 27th of June**, your name will be added to our list of potential winners. We will select 5 winners from Nursery, and 5 winners from P1 and P2.

More information about the raffle and its prizes can be found on the APEEE's website.
