**7 pans of paëlla freshly
made on the spot at
the ES stand**

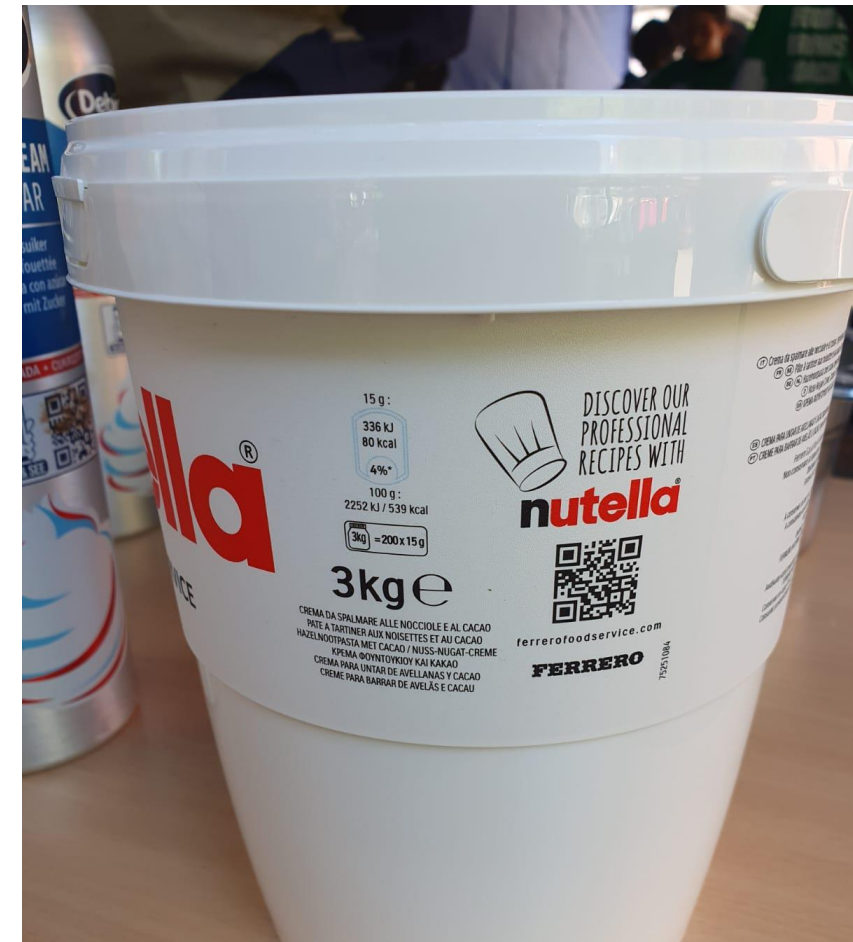

1500 pancakes and
20kg of Nutella at FR
stand

5400 poffertjes at NL
stand

And at the Secondary Food Street Festival

Light up faces of many primary and nursery children with make-up

Seize unforgettable and funny memories with the Photobooth

Raise challenges in Wooden games

Give a new life to around 300 second-hand books, DVDs and games

The Primary Library volunteers have organised a flea market.

WHEN: Friday 9th May 2025, from 10 am to 2 pm

WHERE: C002, C Primary building, ground floor

Parents and children are welcome to bring a book, a DVD or a small board game they no longer need, in good condition and suitable for children, on Friday 9th May as of 8 am.

Let's give books a second life, let's share the magic of literature, the adventures on DVDs and the excitement of board games. Our volunteers will be there to help children choose a book, a DVD or a board game at a small price.

Thank you for your help and donations!

And now where all the collected money goes?

Springfest is in principle a self-funded event.

Income from Food & Drinks tickets serves primarily to cover the costs of the organisation, such as the stage for the performances, tent in secondary, light and sound, costumes and set design, material for the activities, heating/cooking equipment rental, ingredients for food sold at the Street Food Festival in secondary and for a few of the dishes available at the Eurovillage.

Any net benefit may be redirected to charitable organisations.

**Without your help and your contributions
we would not make it so HUGE THANKS to
all who contributed !!!!**

And next year...

we will also need YOU!!!!
